EXPERIENCE

Design Shoe Warehouse, Wheaton, MD — *floor salesman*

August 2022 - PRESENT

As a floor salesman, I am knowledgeable about the shoes that I sell, I stay up to date on incoming products our store receives as well as any promotions that may occur throughout the year. I keep the store clean throughout the day and keep store products in stock and organized. I make sure to engage with customers whether that be telling them about the the shoes we sell, any promotions we have, or giving my opinion on how they look with certain shoes.
